

WEEKLY FEEDBACK REPORT

Data Visualization Associate Internship
Week - 4

Data Visualization Associate Internship Week-4 Feedback Report

| | |
|-----------|--|
| Team Name | Data Visualization Associate - Team 15 |
| Role | Associate Data Analyst |

Performance Rubric (Rated out of 5 Stars)

| Criteria | Rating | Comments |
|-------------------------------------|--------|--|
| Presentation Clarity & Organization | ★★★★★ | The presentation was exceptionally well-organized, with a clear and logical flow, making it easy to follow and highly engaging. |
| Key Insights & Analysis | ★★★★☆ | The insights were clear, but the analysis could have been more thorough. The connections to business implications were made, but they lacked strong justification. |
| Dashboard Usability & Interactivity | ★★★★☆ | The dashboard was user-friendly and interactive, with clear visuals that effectively supported the data and user navigation. |
| Visual Design & Data Storytelling | ★★★★☆ | The visuals were well-designed, clear, and supported the data storytelling effectively, making the insights easy to understand and follow. |
| Submission Format Compliance | ★★★★☆ | The submission was compliant with the required format, with all sections included and correctly presented, showing attention to detail. |
| Business Impact & Recommendations | ★★★★☆ | The recommendations were well-aligned with business needs, actionable, and supported by data-driven impact analysis. |

Areas Where You Excelled

- ✓ **Presentation Clarity & Organization:** Exceptionally well-structured, clearly organized, and easy to follow, with strong logical flow.
- ✓ **Dashboard Usability & Interactivity:** Effective dashboard with useful metrics and interactive features, but with some room for improvement.
- ✓ **Visual Design & Data Storytelling:** Good use of visuals to support the narrative, though minor improvements could enhance clarity.
- ✓ **Submission Format Compliance:** Mostly compliant with the required format, though a few elements could be improved.
- ✓ **Business Impact & Recommendations:** Good recommendations that are mostly aligned with business needs, but could benefit from further elaboration.

Areas for Improvement

- 🎯 **Key Insights & Analysis:** Some insightful analysis but lacks depth or stronger business alignment.
-

Final Thoughts & Key Takeaways

Congratulations on successfully completing the **Data Visualization Associate Internship!** Your hard work and dedication throughout this journey have truly made a difference. This experience has equipped you with valuable skills in data visualization, dashboard development, and analytical thinking, helping you grow both personally and professionally.

You've demonstrated the ability to create interactive and insightful dashboards while maintaining clarity and accuracy. The progress you've made reflects your commitment to excellence and continuous learning.

We hope this internship has been a rewarding and enriching experience for you. Keep building on these skills and continue striving for success in your future endeavors. Great job!

Congratulations on completing Week 4!
