

WEEKLY FEEDBACK REPORT

Data Visualization Associate Internship
Week - 3

Data Visualization Associate Internship Week-3 Feedback Report

Team Name	Data Visualization Associate - Team 15
Role	Associate Data Analyst

Performance Rubric (Rated out of 5 Stars)

Criteria	Rating	Comments
Wireframe Clarity & Structure	★★★★★	The dashboard closely follows the wireframe, with all key visualizations, filters, and interactive elements properly placed.
Visualization & Engagement	★★★★☆	Basic data is incorporated, but some negligible insights are incomplete.
Annotations & Justification	★★★★☆	Most key questions are answered well, with minor gaps or unclear insights.
Mapping Table Completeness	★★★★☆	The dashboard is well-designed, but minor improvements in layout or interactivity are needed.
Submission Format Compliance	★★★★★	Feedback was actively collected, and significant improvements were made based on suggestions.
Timeliness	★★★★★	The dashboard is correctly shared with viewable access and submitted on time.

Areas Where You Excelled

- ✓ Wireframe Implementation: Dashboard closely follows the wireframe, with all key visualizations, filters, and interactive elements properly placed.
- ✓ Insights & Question Response: Most key questions are answered well, with minor gaps or unclear insights.
- ✓ Design & Interactivity: Well-designed dashboard, but minor improvements in layout or interactivity are needed.
- ✓ Feedback & Iteration: Feedback actively collected and significant improvements made based on suggestions.
- ✓ Submission & Sharing Compliance: Dashboard correctly shared with viewable access and submitted on time.

Areas for Improvement

- 🎯 Data Integration & Accuracy: Basic data is incorporated, but some negligible insights are incomplete.

Final Thoughts & Next Steps

Congratulations on completing **Week 3** of the **Data Visualization Associate Internship**! Your continued dedication and progress are evident as you advance through the program. Moving forward, focus on **enhancing data accuracy** and **maintaining consistency** to make your visualizations more impactful and clear.

Efficient **time management** and thoughtful iteration will further strengthen your deliverables. Stay committed to growth and embrace feedback as you continue building your data visualization skills.

If you need **any support or clarification**, feel free to **reach out**! We are here to help you grow and succeed in this internship.

Congratulations on completing Week 3!
